SCHOOL EXHIBITS

1. Entries can be submitted during regular business hours (7:30 am - 4:00 pm; Monday – Friday) at Medford Area School District Office, 124 W State St. Please contact Laura Lundy if alternate arrangements need to be made.
2. All entries must be accompanied by an entry tag displayed on the lower left corner of each exhibit. Entry tags are on the last page of this section and may be reproduced as needed.
3. We no longer need to include an entry number on your label.
4. Each student may enter one project.
5. Each classroom may enter one group project.
6. We have very limited space. Therefore, entries are to be no larger than 14 x 22.
7. Work must be from the September 2015 – June 2016 school year.
8. ESSAY RULES – Essay must be original and in the student’s handwriting or typed on 8 ½ x 11”, using one side only. Neatness, legibility, grammar, spelling, sentence and paragraph structure and content will be evaluated.
9. No exhibits shall be made of food or food products (dough, candy, crackers, etc.) The exhibit buildings are too damp and projects could be permanently damaged with these materials.
10. Sort and package your students’ exhibits into grade level containers.
 1. For example, put all of your kindergarten projects into one box or envelope and all of your first grade projects into another box or envelope.
 2. Then label the container with your school’s name and grade level. Example: Holy Rosary, Grade 1.
 3. On the outside of the container, write the amount of exhibits in each the container, along with the name of a school person’s name and number that will be responsible for picking up the exhibits after the fair. (i.e. 42 exhibits, John Doe, 715-748-0000)
 4. If you have sculptures, you may put those in a separate container and label them separately as they will not be hung on the wall.

All exhibits will be taken down and placed back into your original marked containers after the fair. You will be contacted when the exhibits are ready for pick up. Contact Laura Lundy at 715-965-2533 if alternate arrangements need to be made.
